Protection of the personal data provided through this form

Legal basis of the processing

The processing described below is carried out in accordance with [Regulation \(EU\) 2018/1725](#) (hereinafter “**the Regulation**”). The lawfulness of the processing is based on Article 5 (1.a) interpreted in the light of Preamble (Recital 22), since it is necessary for the performance of tasks carried out in the public interest by the European Parliament.

Who is responsible for your data?

The data controller for this processing of personal data is the European Parliament and in particular Mr JANSSENS Stéphan (DG ITEC/CARE/WORKEXP).

What are your rights regarding your personal data and how can you exercise them?

You, as a data subject, or your legal representative when applicable, may exercise the rights indicated hereafter by sending a request directly to ITECServiceDesk@ep.europa.eu.

You have the right of access your personal data and relevant information concerning how the data controller uses them [Article 17 of the Regulation]. You have the right to obtain the rectification of your inaccurate personal data and, taking into account the purposes of the processing, of your incomplete personal data [Article 18 of the Regulation]. Under certain conditions, you have the right to ask that the data controller deletes your personal data or restricts their use [Articles 19 and 20 of the Regulation]. You have the right to object to the processing of your personal data, on grounds relating to your particular situation, at any time [Article 23 of the Regulation].

The data controller will consider your request, take a decision and communicate it to you.

You have the right to have recourse at any time to the Data Protection Officer of the European Parliament (DPO) via the email address data-protection@europarl.europa.eu and to the European Data Protection Supervisor (EDPS) via the email address edps@edps.europa.eu.

What are the personal data used?

The data provided in the form. This includes your name, first and last name, and any other information provided by you in order to allow us to provide you with the related services.

The first name and last name is processed to ensure that the owner of the device is the person that returned it.

Why are the personal data used and who can view them?

The personal data collected in this document are used to be able to demonstrate equipment assigned to the user has been returned for inventory purposes.

The helpdesk staff may have access to those personal data, since the information is stored in IT Service support management system (ServiceNow).

How long are the personal data kept?

For the personal data related to a ticket concerning you:

- They are kept for a maximum of five years from the closing of the ticket. After this period, the entire ticket is deleted from the database.
- The only exception will be the case in which one ticket is connected to another. In this case, the retention period for both will be five years starting from the closing of the most recent ticket.

For the personal data on the related service provided to you:

- These personal data are kept until the service is not provided to you anymore, unless a request from you is received to do otherwise.
